Before- 217,000

After- 245,054

(8,000) former PAC members

Provider Network Administrative Efficiencies

Present Support Systems Priority Partner Offers-

- Incentives for VBP goals
- Outreach services
- On site services –health education classes
- Open for ideas
- Regular Provider Relations on site visits
- Meet/Greet

Future-

- Finding new funding sources for providers
- Technology
- Knowledgeable field people
- Better business systems
- CAB for Providers

Working Through Social Determinants

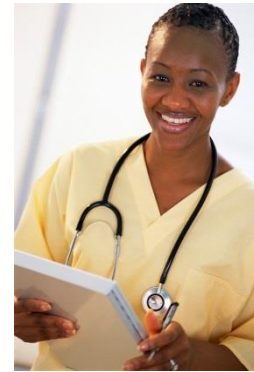

- Strategically Planned/Implemented Food Drops
- Social Workers
- Transportation
- Employees trained in Health Literacy & Cultural Diversity
- Community Health Workers
- Health Educators
- Interpreting
- Community Health Advocates

Population Health

- Nurses imbedded in provider sites
- Referral system
- J-Chip Grant
- Strong Start Grant
- Resources
- Patient Centered Medical Home (JHCP)
 - Nurses/outreach

Things on the horizon.....

- Medigap card
- Building stronger sustainable community partnerships
- Increase member participation (CAB in different locations)
- Stay ahead by staying informed
- Making sure expectations are realistic, not idealistic.

Thank you for allowing
Priority Partners to
share this time.
